GENERAL PERMISSION FORM

Dear Parents:

There are times when, in addition to our routine daily schedule, we may wish to leave the school grounds for a portion of the school day. Activities such as nature walks, plays at Kittatinny, etc., are examples of this. Rather than requesting your permission to allow your child to leave the school grounds every time we do this, we are asking you to sign this permission slip which would be kept in a permanent file for this year. This would give us your permission to leave the school grounds with your child for local walks, etc. This does not include trips where school buses are used, except to Kittatinny.

Parent's Signature _____ Date _____

Student's Name _____

Sincerely,

Homeroom Teacher

If there are any restrictions on the above general permission, please note them below:
